

As the weather starts to deteriorate now is the time to train indoors. In conjunction with our indoor sports training partner, Turf Island, Oceanside we can now offer indoor training using state of the art facilities including turf fields.

Introducing Impact Sports Indoor Soccer Training

Soccer Development Academy @ Turf Island, Oceanside.

6 - 12 years old.

7 Week program - \$125

Tuesdays 4:30-5:30

Starting January 31, 2012 - March 20, 2012

No Class February 21

Our soccer skills based program is designed to further develop your child's existing talent and take it to the next level. Thru challenging drills and practices we will enhance key components of soccer such as first touch, control, advanced dribbling techniques, passing plays and shooting strategies. The perfect way to maintain optimum practice time during the winter indoor season and prepare for the spring.
